

## let's TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read Joshua 1:1-11 & 16-18 and 3:5-17. What strikes you as you read these verses?
2. What promise should the Israelites be trusting as this episode unfolds? (Read Genesis 26:3-4 to help you understand your answer) What was Joshua's job according to 1:1-3 & how does it relate to these promises?
3. What additional promises did Joshua receive? (vss 5-9) What sort of confidence would that build in you for a task to which you feel God has called you?
4. Read Josh 1:10-11 again. What is significant about the command the people receive? Remember: they are going to fight battles & have not yet won any of their new land. But they are taking everything including "the kitchen sink." Why?
5. In Joshua 3, God again parts a body of water for the Israelites to cross. What is different than when they crossed the Red Sea? Is it important that the flood-stage river doesn't stop flowing until the priests are standing in it? Why?
6. If you are facing a difficult situation now...What do you most need: A guide? A miracle? A signpost? Where in your life do you need these right now?
