

## let's TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/low. Read Joshua 5:13-6:23. What strikes you as you read these verses?
2. What was the promise the Israelites were called to live out? In verse 2, the Lord told Joshua He had delivered Jericho into their hands, even prior to their attack. What do you think God meant?
3. How would you rate the "plan of attack" based on what you know about fortified cities under attack? How do you think the Jericho residents felt about the silent marching army outside their walls?
4. From the first marched steps to the final trumpet blast & shout, what was the key element? How did that ensure they would receive what God promised?
5. How has God directed you to simply obey him over the course of a sustained period of time? What was the outcome?
6. What sorts of battles against "walled cities" are you facing currently? How is God calling you to obey him as he brings you his victory? How can Living Water encourage you in your obedience to & trust in God's will in your life?
