

## let's TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read Joshua 10:1-14. What strikes you as you read these verses?
2. What is the most daring prayer you have ever prayed? Why did you pray that? What happened? What are some hindrances to praying bold daring prayers? Are there any in your life that need to be addressed right away?
3. Why is Joshua involved in this battle when it isn't defending Israel from attack, but in rescuing a pagan nation? What promise does God give to encourage Joshua?
4. How do the promises of God serve to encourage you? How do they change your outlook & effect the outcome of the circumstances or challenges you were facing?
5. Even though God promised Joshua victory, what did faith in God's promise demand of Joshua? What does faith always require of us?
6. What keeps you from believing that God can do the impossible? How different do you think your life would be if you stopped asking God for simple things & instead asked Him to do mighty things? What "impossible" need will you lay before God this week trusting his provision will exceed your request?

*"On the day the Lord gave the Israelites victory over the Amorites, Joshua prayed to the Lord in front of all the people of Israel. He said, 'Let the sun stand still over Gibeon, & the moon over the valley of Aijalon.' So the sun stood still & the moon stayed in place until the nation of Israel had defeated its enemies."*

## THOUGHT for the week:

*"To be a Christian without prayer is no more possible than to be alive without breathing."*

*-- Martin Luther*

*"The goal of faith isn't to take away your fears but to leverage those fears to create bolder belief. Faith leads you past your fears & reassures you of God's presence. After a while, you begin to trust that God is going to lift you above the waves this time just like he did last time." -- Steven Furtick*
