

## let's TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read Joshua 20:1-9. What strikes you as you read these verses?
2. What was the purpose for the "cities of refuge?" What does that purpose tell you about God's character, mercy & justice? How does your life reflect that aspect of the Father? How might you grow more like God in that respect?
3. Read Ps 18:1-3 & Is 25:4-5. In what circumstances would someone look for refuge? How does God supply that need? Where do you find your sense of security?
4. In what ways do you see Christ's work foreshadowed in the high priest's death on behalf of the "killer"? Think through Ps 61:1-4. We do not run to a physical city of refuge today; how do we enter the safe place?
5. How has the Lord provided protection or refuge from attack for you? How do you think the church today should be involved in protecting Christians from the various "life attacks"? How are we already doing this? What could we do better?
6. Read Hebrews 6:16-20. How is Jesus your hope, refuge, rest & peace? In what ways can you demonstrate that to someone else this week?
