MATTHEW 13:33-35

³³ **Jesus also used this illustration:** *"The Kingdom of Heaven is like the yeast a woman used in making bread. Even though she put only a little yeast in three measures of flour, it permeated every part of the dough."*

³⁴ *Jesus always used stories and illustrations like these when speaking to the crowds. In fact, he never spoke to them without using such parables.*

³⁵ *This fulfilled what God had spoken through the prophet:*

"I will speak to you in parables.

I will explain things hidden since the creation of the world."

Living life with a smile is like throwing yeast into a bowl of flour, adding warm water and waiting for the flour to rise. It multiplies many times over.

John Threlkoff

"The mustard seed and the yeast teach us that the Christian life starts small. They also teach us that the Kingdom of God will not be stopped. The seed will grow into a tree, the dough will rise."

~ Pastor Chad Hammond
