let's TALK

1. *Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read Revelation 11:15-19 & Revelation 14:13. What strikes you as you read?*
2. Are there people you find hard to trust? Why? Are there circumstances where you find it difficult to trust God? Why?
3. What appears to be happening in these verses? How is that significant? How is this **final triumph of God & the return of Jesus a “good news/bad news” event?**
4. **For what is God worshipped here? What does that reveal about God's power and how God displays his power? Please read Rev 8:4. Notice that God's power here is manifested in response to the prayers of his people? What does that tell you about your prayers? What sort of confidence does that inspire in your praying?**
5. **What is meant by the nations' anger – 11:18 (note also vss 5-7)? Who was victorious (note also vss 11-13, 15 & 17)? Where else in Revelation have we read of God's temple? What is the significance of the fact it is open?**
6. As you see the promises of God being kept, with whom can you share that **assurance and that certain hope of life in God's presence?**
