let's TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read Jude 1:17-25. What strikes you in these verses? How are they a challenge AND an encouragement for you?
2. Why does Jude say their current predicament should be no surprise? How is good theology to be distinguished from bad in the church?
3. Note the directions in 22-23. What are the differences between those various people in spiritual danger? Why is a different approach required for each? How does a rescuer avoid falling into the same spiritual trap as those who “play with fire?”
4. Are there moments in your life when a particular experience caused you to doubt your faith? Has anyone else ever shared such an experience with you? What did you say to them? In light of Jude's previous dire warnings, what hope do you find in these final verses? How does that help you or help you offer hope to someone else?
5. How does this picture of the Father compare with the one in vs 5-7? How do you talk about that difference with someone who can only see God one way or the other?
6. What makes a church vulnerable to false teachers/ing? What spiritual “body building” can you do to make LWF strong & vibrant in defense against error & committed to the mission of Christ? How will you engage in that today?
