

let's TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read Matthew 9:18-26 & John 20:30-31. What strikes you as you read?
2. Jesus attracted all kinds & categories of people; regardless of race, social status, or wealth. Jesus heals someone who is considered to be part of the 'in' crowd & also someone who was not. How is this reflected in your church & friendships?
3. This is one story with two healings. What similarities or differences do you notice between both healing miracles? What does that tell you about Jesus' power to heal?
4. When we speak of healing, we usually mean physical healing. What other kinds of healing & restoration does Jesus accomplish? Why is he invested in healing on multiple levels? What does that teach you about God's saving recreating love for you & his whole creation?
5. How does faith in Christ to heal, become part of the vehicle for healing? How do you think the woman & the synagogue leader responded to the healings/restorations? How do you think the wider community reacted? Why?
6. Who is someone you can offer Christ's healing & restoration to this week?
