Then share the forgiveness, life and salvation Christ offers in his body and blood. The words "The body of Christ given for you" and "The blood of Christ shed for you" and appropriate elements are to be used as you celebrate together.)

## MATTHEW 9:18-26

As Jesus was saying this, the leader of a synagogue came and knelt before him. "My daughter has just died," he said, "but you can bring her back to life again if you just come and lay your hand on her." So Jesus and his disciples got up and went with him.

Just then a woman who had suffered for twelve years with constant bleeding came up behind him. She touched the fringe of his robe, for she thought, "If I can just touch his robe, I will be healed." Jesus turned around, and when he saw her he said, "Daughter, be encouraged! Your faith has made you well." And the woman was healed at that moment.

When Jesus arrived at the official's home, he saw the noisy crowd and heard the funeral music. "Get out!" he told them. "The girl isn't dead; she's only asleep." But the crowd laughed at him. After the crowd was put outside, however, Jesus went in and took the girl by the hand, and she stood up! The report of this miracle swept through the entire countryside.

## JOHN 20:30-31

The disciples saw Jesus do many other miraculous signs in addition to the ones recorded in this book. But these are written so that you may continue to believe that Jesus is the Messiah, the Son of God, and that by believing in him you will have life by the power of his name.

## Group Bible Study/Discussion:

1. Read Matthew 9:18-26 & John 20:30-31. What questions immediately come to mind? Does your familiarity with these verses hinder you seeing it with fresh eyes?
2. What is the "sickest" you've ever been? What happened? How was God active in your life at that time? What would you have done to get well?
3. Why was the synagogue leader so passionate for his daughter that he would risk embarrassment & possibly his leadership position, considering the Pharisees' feeling about Jesus at that time? Why did the woman think, *all I have to do is touch His clothes & I can be healed?*
4. What is the relationship between desperation & faith? Why does it often take desperation to allow the possibility of trusting Jesus? What does Jesus' response to both the Jewish leader & the woman reveal about his Kingdom?
5. Why does the synagogue leader persist even after it seems all hope is gone? For the woman, what kinds of doubts or feelings toward God may have arisen in those 12 years? What would her isolation have included & felt like? How do you persist in the face of chronic or on-going difficulties?
6. How do you react when healing doesn't occur or restoration doesn't happen? What assures you to continue trusting in Jesus even when you don't get what you want?
7. In both instances, healing & restoration occurs through direct relationship with Jesus. How is knowing "about" Jesus different from "knowing" Jesus? How does that difference move you to a place where Jesus can transform, strengthen & equip you for his mission? Where are you being transformed by Jesus at this time? How can you share that with someone else & perhaps lead them into a relationship with Christ?
