

let's TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read Joshua 1:1-11 & 2 Timothy 1:3-10. What strikes you as you read?
2. How might Joshua have felt being entrusted with this great task? How would you have felt? What about Joshua's leadership would cause you to follow him?
3. Summarize what God instructed Joshua in verses 6-9. Why do you think God placed such a priority on the study of the Scriptures? How often do you read at length or study in depth God's Word? Would you be open to more?
4. Why do you think it was important for Joshua to exhort Israel to "take possession of the land the Lord your God is giving you"? Since God already promised to give the land to them, what was Joshua's role? What was still to be done by the people?
5. What kind of things might cause people to fear or worry today? Where in your life do you need to be strong & courageous? From where will this strength/courage come?
6. In what ways might a spirit "of fear & timidity" show itself? How can we demonstrate "power, love, & self-discipline" in ways that serve as a witness to Jesus Christ & an invitation to someone we know to join us in trusting him in all things?
