

let's TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read 1 Chronicles 28:20 & 29:10-20 . What strikes you as you read?
2. How might David have felt handing over the kingship to Solomon? Glance over the whole chapter. What issues are topmost in his mind? What fears may lie behind those concerns?
3. In David's mind, how does a nation thrive? What is his baseline "most important thing" for leading God's people?
4. How does David's prayer help you understand David's view of & relationship with God? If someone were to listen to your prayers, what would we learn about you?
5. Note vs 15. Do you often take time to remember that our time on earth is short, so how we live our days matters? What can you do to maximize your faith impact with those around you? What needs to change to increase your influence for Christ?
6. Note vs 17. What is possible when faithful people give "willingly & joyously"? What are some practical ways you can generously use what God has given you for his purposes? Who would you hope your faith impacts positively this week?
