

## let's TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read Romans 1:1-7 & 1:13-32. What do you see here that catches your attention? Why?
2. When you introduce yourself to someone you haven't met before, how do you identify yourself? Have you ever used the words of Romans 1:6-7, "called & loved"? Why not? What do you think would happen if you did? Then what?
3. What is the "truth" the sinful world suppresses? How has God made it evident? Is there any legitimate excuse for not believing in God? Why/not? What would you say to someone who says "I'm an atheist" (don't believe in ANY god)? What about an "agnostic" (I don't have enough evidence to believe)?
4. What phrase is repeated three times from verse 24 to 28? What does it mean that God did that repeatedly? Did he cause their sin? Why allow them to go their own way instead of stopping them?
5. What does verse 32 tell us about how far people go in sin? What is the next step beyond doing it? Do you see this happening in the world today? How should Christians respond to the world's sin, pain, brokenness? How are you doing that?
