

TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read Psalm 71:14-19 & John 2:13-22. What strikes you as you read?
2. How does the picture of an angry Jesus sit with you? What do you think angers Jesus still today? As one of the sellers, how might you have felt?
3. Why do the religious leaders challenge Jesus by asking for a "sign" to prove his authority? How is his response, both an answer AND confusing?
4. Jesus called us away from a transactional relationship with God & into a personal relationship with him. How does this text highlight the difference between dealing with God via transactions versus living with the Father in a relationship?
5. Would you describe your present life circumstances as positive or negative? How are you giving credit & praise to God in the midst of your present circumstances?
6. How have previous generations left a lasting testimony for you? What are you doing to leave a lasting testimony for the next generations?
7. Describe a time when you experienced God's help. How has God proven himself faithful to your family in both times of difficulty & times of great joy & blessing? How might you share that with someone who does not yet know Jesus?
