

## let's TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read 2 Kings 5:1-19. What strikes you as you read? What questions come to mind?
2. What do we learn about Naaman in the first 12 verses of this account? What do we discover after he is healed? Why is that important?
3. Sometimes we come to God expecting one thing, & he gives us another. What did Naaman expect Elisha to do for him? How did God's plan differ? What happened?
4. Why did the King of Aram write a letter of introduction & send financial gifts with Naaman? What did he expect regarding the healing? What did Naaman expect?
5. After his healing, where did Naaman go, & what did he say he had learned? Why is that significant in his life?
6. How does the rest of the account detail the major transformation that has occurred in Naaman? What does he ask permission to do? Why are those two things important?
7. What does this text call you to do?
