

## let's TALK

1. Gather in the name of the Father, Son & Holy Spirit. Share your highs/lows. Read 2 Kings 22:1-20. What strikes you as you read? What questions come to mind?
2. What do we learn about Josiah here that is notable? Quickly trace Josiah's family tree of kings: Manasseh (2 Kings 21:1-6) & Amon (2 Kings 21:19-22). How is Josiah different from his grandfather & his father? To what do you attribute that difference?
3. What do you notice about Josiah's instructions in vss 4-7? What's significant about Josiah's administration? How does that characteristic lead to what happens next?
4. What could Hilkiah & Shaphan have done with the "book of the Law" when it was found in the Temple if Josiah led a different kind of administration? Do you think the "book of the Law" was 'lost' or 'hidden'? Why do you say that?
5. How does the prophetess Huldah factor in to what Josiah does from this point forward? How is the hope she offers from God a driving force in what comes next? How does your hope & assurance in Jesus act in the same way for you? With whom could you share that hope this week?
6. What does this text call you to do?
